[Red sticky note]

Lovely & important Woodland of Oak, Bay & Maple

[Red sticky note]

Probably still need a lot more work on this area?

[Red sticky note]

PRELIMINARY

Pathway in front of Workshop

Could this be open air work space with studios, welcome spots?

Coast Miwok Dedication Area

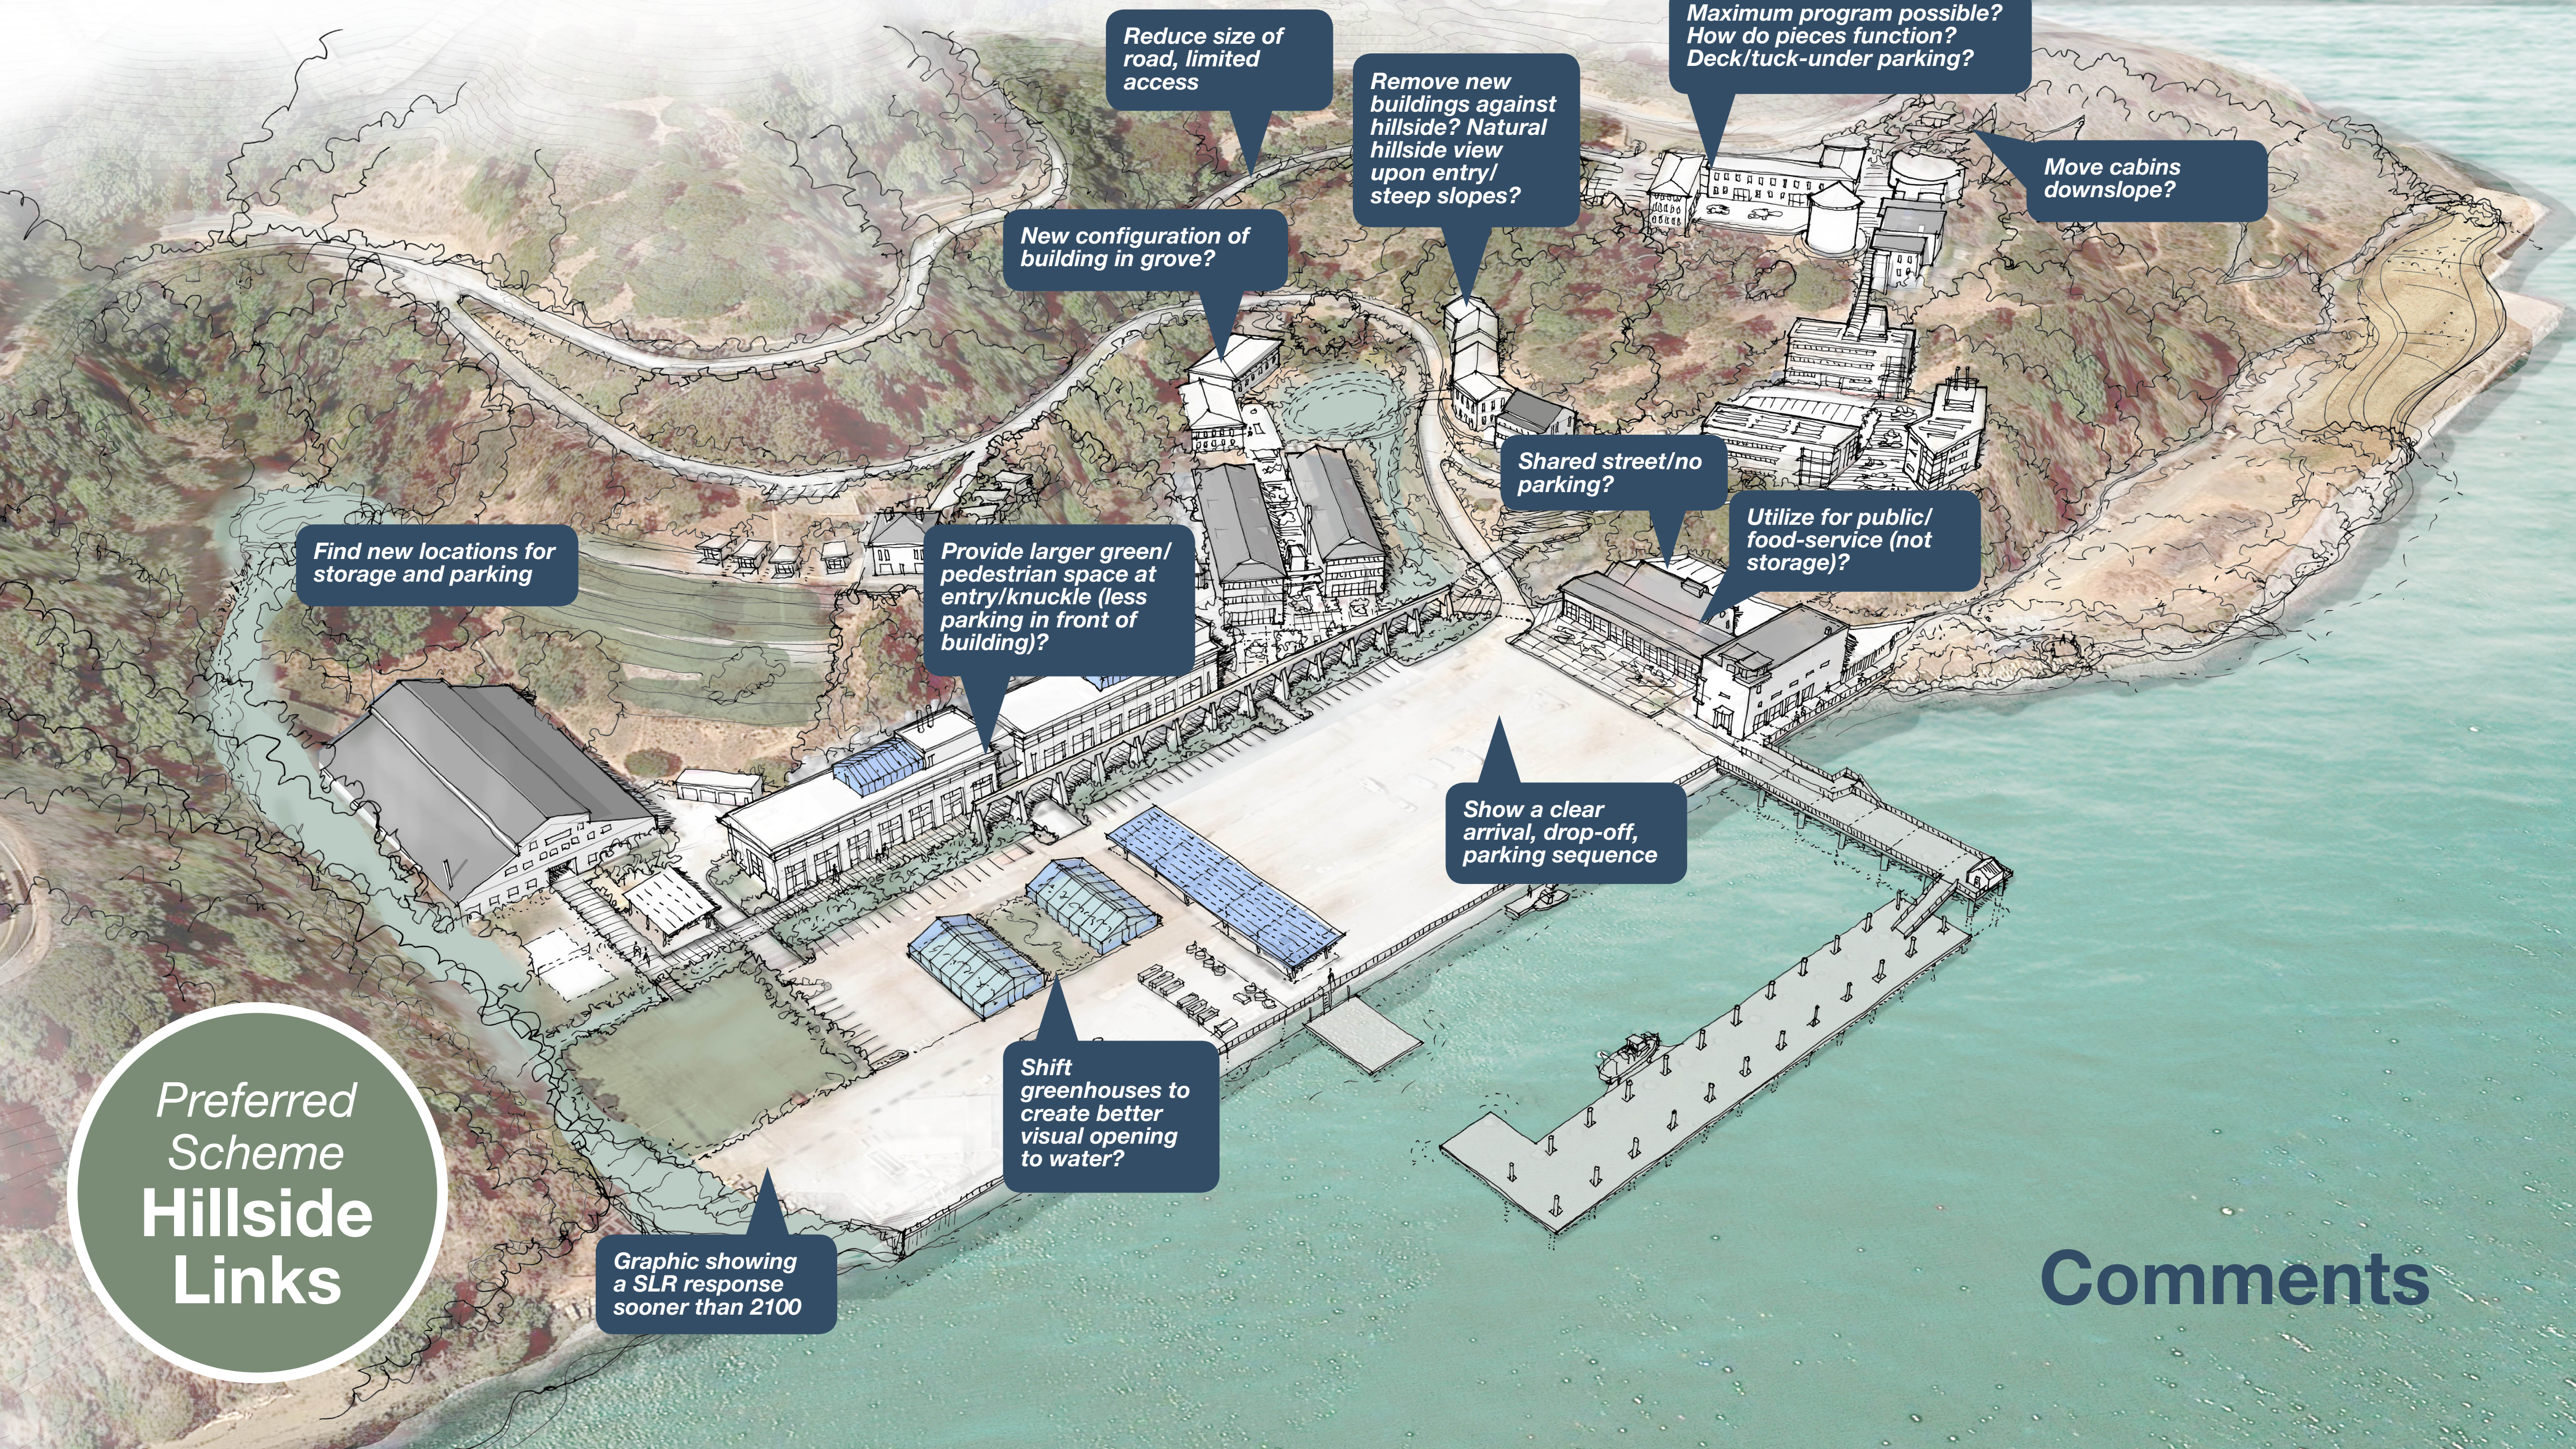

Great Open Space Welcoming Space with Oak Tree

Definitely need shop space in 1st floor level

Greenhouse that out of way of Delta Hall

gravel boat ramp here??

Bring back this area

Reduce size of road, limited access

Remove new buildings against hillside? Natural hillside view upon entry/ steep slopes?

Maximum program possible? How do pieces function? Deck/tuck-under parking?

Move cabins downslope?

New configuration of building in grove?

Shared street/no parking?

Utilize for public/ food-service (not storage)?

Find new locations for storage and parking

Provide larger green/ pedestrian space at entry/knuckle (less parking in front of building)?

Show a clear arrival, drop-off, parking sequence

Shift greenhouses to create better visual opening to water?

Graphic showing a SLR response sooner than 2100
